HPC Fire Watch/Confined Space Attendant

Description

Please read carefully: This position is for the upcoming outage in April. Interviews will begin around April 10th. Please do NOT call our offices. We will call candidates to schedule interviews.

Candidates are needed for the upcoming outage at IP-Valliant, Oklahoma. Outage dates scheduled are April 30, 2023 – May 8, 2023, but are subject to change any time.

Candidates are responsible for preventing and watching for fires and monitoring confined spaces.

Responsibilities

- Must follow ALL OSHA, company and job site safety rules.
- Must wear a watch with a breakaway band.
- Must wear proper work attire (steel toe boots, jeans with no holes, t-shirts with 3/4" sleeves – no white or v-neck).
- Must have guaranteed transportation to and from work.

Qualifications

- Must be able to work at elevated heights.
- Must be able to climb multiple flights of stairs and occasional ladders.
- Must be able to stay awake, alert, and attentive for long hours.
- Must stay OFF cell phone unless it is an emergency or to contact your lead.
- Must be able to work well with others.
- Must be able to communicate well with others.
